RE: Addendum for Request for Applications Number 5553, due 3/21/2023

RFA Language Update

Following are updates to the above-mentioned Request for Applications. It is the Applicant's responsibility to check the DHHS website for all addenda or amendments.

The Preamble of RFA 5553 has been updated to read:

RFA #	RELEASE DATE
5553	January 30, 2023
APPLICATION DUE DATE	POINT OF CONTACT
MARCH 21, 2023	DHHS.Grants@nebraska.gov

INITIAL PERIOD OF PERFORMANCE	TOTAL FUNDING AVAILABLE
MAY 1, 2023 – JUNE 30, 2024	\$1,000,000.00

Section 1.2 Period of Performance has been amended to read:

The Period of Performance is the time during which a successful Applicant may incur costs to carry out the work authorized under this RFA and the resulting Subaward. See the definitions in 2 CFR § 200.1 or 45 CFR § 75.2. The Initial Period of Performance for this RFA is from May 1, 2023, to June 30, 2024. This period may be extended by DHHS as allowable by the Federal Funding Agency. If state funds are involved in the award, this may also determine whether DHHS may extend a Period of Performance.

For the initial Period of Performance, all costs must be liquidated (i.e., spent) by June 30, 2024, and invoiced to DHHS by August 15, 2024. These dates are dependent on federal periods of allowability and DHHS' own ability to timely process payments. They may be subject to change; final dates will be included in the final Subaward between the parties. If an Applicant believes it cannot meet these deadlines, it should not apply for funding under this RFA. Obligation and liquidation deadlines may be extended as allowed by the Federal Funding Agency, but no extensions are guaranteed. Future Periods of Performance, as allowed by DHHS, may have different obligation and liquidation deadlines.
